WEATHER OF CONCERN

Weather of Concern

Northern California:

- Chances of thunderstorms are in the forecast again for portions of Northern California this afternoon and evening.

Southern California

- There is potential for afternoon and evening showers and thunderstorms from Los Angeles to Santa Barbara Counties today.
- Any thunderstorms that develop will bring the potential for periods of heavy rain which could cause flash flooding to occur due to very weak winds aloft.
- Thunderstorms may also contain dangerous cloud-to-ground lightning, gusty winds and small hail.
- Heavier showers may result in localized flooding of roadways, small creeks, and old burn areas.
